

Lineage:

Reel tapes (AKAI, REVOX) ->
happy happy hard disk with M-Audio Audiophile Soundcard 44100 Hz ->
edited with Goldwave, Wavelab (cuts, normalizing, tape noises,
spectralizer) -> flac(level 8)

note from tigerduck:

Originally that recording was on two different tapes, "No Woman No
Cry" was one tape, the rest on two sides of another tape. I mixed the tape
switching break, it was originally at minute 28 ...
